FOREWORD

International Journal of Medicine and Health (IJMh); E-ISSN: 2962-1178 (Online) / P-ISSN: 2962-0880 (print). is a peer-reviewed international journal that publishes practices, ideas, and research in all health and nursing science or practice fields from a global viewpoint. The International Journal of Medicine and Health (IJMh) aims at highlighting evidence on Surgical Medical Practice, Pharmacy, Maternity, Child Health, Mental Health, Dental, Medical Education, Midwifery, Medicine and Nursing, Health Policy and Management, Community Nutrition, Environmental Health, Epidemiology, Reproductive Health, Health Promotion, Occupational Safety & Health, Other Health Professions to a global audience. This journal is published 1 year 4 times (**Maret, Juni, September dan Desember**)

Reviewers provide assessments on originality, clarity of presentation, contribution to the field/science. This journal publishes research *articles*, review *articles/literature reviews*, case reports and concept/*policy articles*, in all fields of the International Journal of Medicine and Health (IJMh). The article to be published is an original work and has never been published. The entry article will be reviewed by a team of internal and external reviewers. The International Journal of Medicine and Health (IJMh) accepts articles in English and Indonesian.

The Editorial Board will try to continue to improve the quality of the journal so that it can be one of the references that is quite important in the development of science. A big award and thank you to the Reviewers together with the members of the Editorial Board and all parties involved in the publication of this journal.
